# JAPAN RELUCTANT TO DISCUSS ORIE**nt**

Tokio Likely to Find Herself in Minority When China Is Considered

IN BIG CONFERE**nce** 

#### WILL SEEK TO DIVIDE U. S. AND GREAT BRITAIN

By CLINTON W. GILBERT

Staff Correspondent Evening Public Ledger Co. Copyright, 1921, by Public Ledger Co. Washington, July 13 .- Although no reply has yet been received from Japan to President Harding's suggestion of a conference upon the problems of the l'acifie and upon disarmament, her ac-

ceptance is taken for granted. Her position, so far as can be gathered here, is that while she would welcome a conference upon disarmament. she does not like an international disussion of the Orient.

Japan has pretensions regarding the Far East somewhat similar to our own to talk of a Monroe Doctrine for Asia, and the superiority of her interests on the adjoining continent were vaguely recognized in the Lansing-Ishii agreenent. To understand her position b is necessary to assume that the United States were less strong relatively than it is and that two or three nations stronger than ourselves should seek to upon us a conference regarding South America.

The parallel is not exact because the Japanese policy regarding the Far East, is not so old nor so firmly established in the national consciousness as is the Monroe Doctrine in the American mind. but it is nevertheless close. The prowelcome, but it is can not well be re-

#### Sees U. S. Dominating Factor

In the coming conference Japan sees Great Britain's policy is to seek close relations with the United States and the imperial conference, if it showed anything, proved that the colonies care little about a connection with Japan and much about one with the United States.

Therefore, the two greatest powers in him together, with this difference, that the white-race group of nations on a friendly basis than is the United States. France and Italy will naturally tend to agree with the United States and Great Britain rather than with Japan, who is thus compelled to take part in a conference in which she will be from the outset in the minority.

Her diplomacy in the conference will sengs which children may sing con-cerning strike troubles, according to cially, if possible, to divide the United States and Great Britain. And she not without diplomatic resources. In lair. 2861 Japanese circles here no one pretends Patrolman to know what Tokio will do. Since China has been invited to take part in the conference and since this country's attitude is well known, it is generally supposed that Japan will be asked to fix the date for her returning to China of the German concessions in Shantung.

#### won in the great war. Will Seek to Divide Others

Faced by this request, it is suggested that Japan will reply by expressing her perfect willingness to give up what she olds in Shantung, on condition that torial holdings and spheres of influence in China. In such a position Japan might enlist the support of China, though China herself is divided and may be arrayed diplomatically on both
